Continued growth in Pfandbrief issuance in 2022

In the year 2022, Pfandbriefzentrale der schweizerischen Kantonalbanken AG issued CHF 10.4 billion of Pfandbriefe (mortgage-backed covered bonds), while CHF 3.7 billion of bonds matured during the same period. Hence, the outstanding volume of Pfandbriefe rose by CHF 6.7 billion to a record of CHF 77.0 billion. Profit for the year 2022 was CHF 16.2 million. The rating agency Moody's has assigned its highest rating of Aaa to the bonds issued by Pfandbriefzentrale.

Pfandbriefzentrale was again active in substantial volumes in the year 2022 with issuance of CHF 10.4 billion of Pfandbrief covered bonds. Not only did this refinance maturities of CHF 3.7 billion in full, but the volume of outstanding Pfandbrief covered bonds rose by CHF 6.7 billion to a new record of CHF 77.0 billion. This represents growth of 9.6 percent since 31 December 2021.

As a joint operation between all 24 cantonal banks, Pfandbriefzentrale's focus is not on maximising its profits. Profit for the year 2022 amounted to CHF 16.2 million (prior year profit: CHF 15.7 million).

Pfandbriefzentrale der schweizerischen Kantonalbanken AG

Founded in 1931, Pfandbriefzentrale der schweizerischen Kantonalbanken AG regularly issues Pfandbrief covered bonds and grants the cantonal banks loans of the same value and maturity to co-finance their mortgage lending in return for collateral created by a registered lien. Under a registered lien, amounts outstanding from covered bonds and mortgage-covered loans including accrued interest have a statutory lien over the mortgage collateral set aside in the member banks' register of liens.
